

From the M62:-

North Cave & South Cave both provide a route to Walkington & Beverley - although vehicles are definitely discouraged by the roads signs from using North Cave Route.

Ideal route via B1230, but A164 acceptable as well, follow either until you reach a fiendish double-mini-roundabout, marked with a red dot on this (and the next) map.

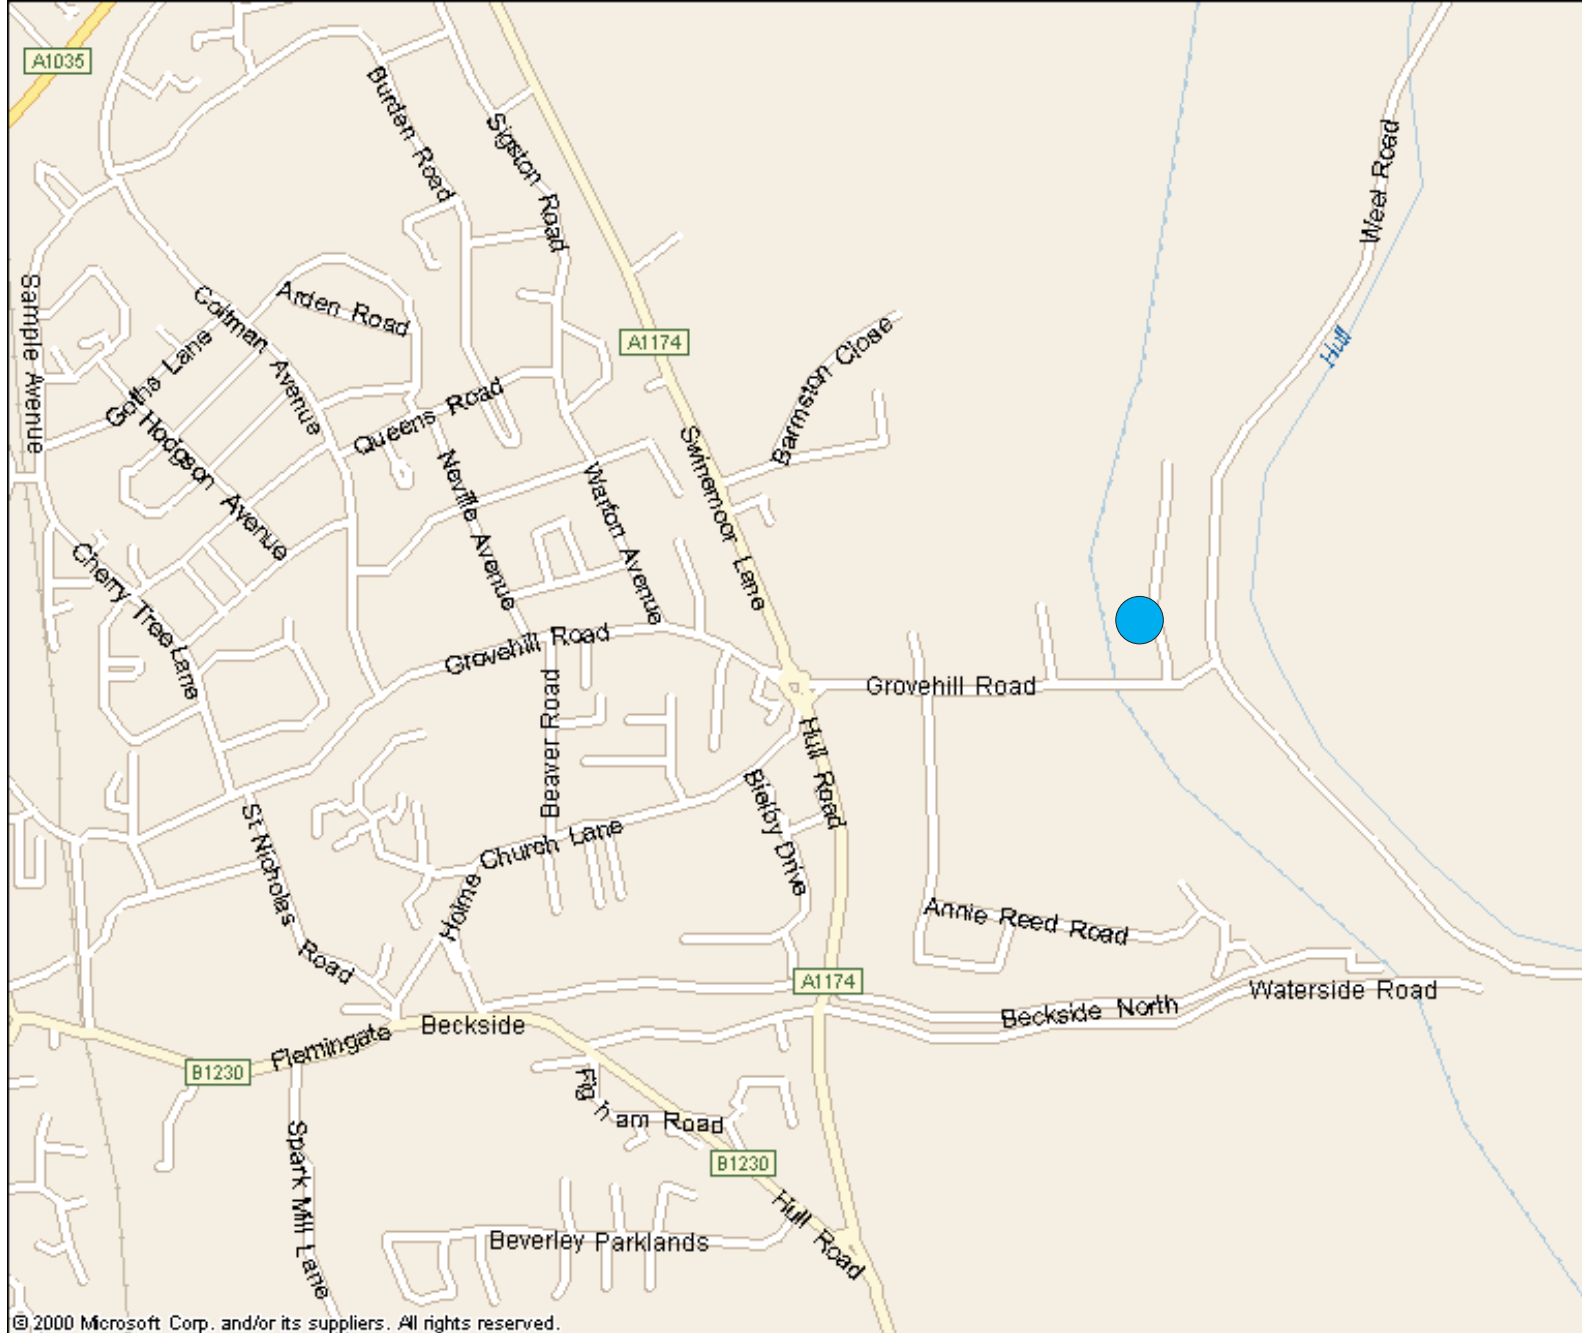

From double roundabout, straight across this into keldgate.

After the big church there is a T junction where you have to turn left or right, and you will need to turn right.

Cross the level crossing and continue along Flemingate, heading out of town (Hull road) until you again meet a T junction where you have to turn left or right again.

Turn left, over the flyover then right at the roundabout. Up grovehill road. (Heading for blue circle)

Along Grovehill road, pass ATS on the left then After the small brick bridge that is only just wide enough for two cars, turn left just before the next metal bridge.

Pass a café on your left, and a Large Warehouse, take the next left into an industrial estate the Acorn Industrial Estate.

Greenleaf Contractors share Unit 3 (& 4) with Minster Cleaning.
